

We build strong kids, strong families, strong communities.

## Sussex County YMCA

At the Sussex County YMCA, no one is turned away based on the inability to pay. The Sussex County YMCA fulfills this promise everyday by providing financial assistance to children, teens, adults, seniors and families in our community. In 2009, the Sussex County YMCA:

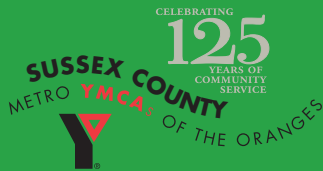

- Provided over \$280,000 in financial assistance
- Sent 113 children to Summer Camp
- Subsidized 31 children in the School Aged Child Care Programs
- Subsidized over 50 children in programs including swim lessons and youth sports
- Awarded over 170 individual and family memberships to those in need.

The assistance that we are able to provide makes a real difference in so many lives.

*"Being members of the Sussex County YMCA has really brought such joy and happiness into our lives. The kids have learned how to swim. They have gotten lessons in self-esteem, courage, and many more with laughter, joy and love. As a widow with seven children, I am thankful for the help and could never make it without you".*

### YOUR GIFT CAN MAKE A DIFFERENCE

The support has been generous and the demand is even greater. Our programs encourage all children to grow in spirit, mind and body and teach youth to become responsible, caring adults.

Please help us continue to make a difference in the lives of so many by making a tax-deductible gift to the Sussex County YMCA.
