

We build strong kids, strong families, strong communities.

## West Essex YMCA

For more than 50 years the West Essex YMCA has been serving the communities of Livingston, West Orange, Roseland and the Caldwelles. In difficult times we have been the champion of children and adults alike, assuring that no child is turned away from our programs because of the inability to pay. We provide support and financial assistance to children and families in these areas to give all children equal opportunities to enjoy what our YMCA has to offer.

As one of our moms said "if it were not for your (West Essex) YMCA program my daughter would not have been able to go to Pioneer Trails Camp. All her friends were going but we just couldn't afford to send her this year, thank you for your help. It turned out to be a great summer".

The West Essex YMCA was fortunate that we were able to provide this assistance; we could only do that because of the generosity of our supporters.

We build strong kids, strong families, strong communities.
